Providing friendships, independence and confidence, for children and young adults with a developmental disability.

The **Long Island Blues** is dedicated to educate and encourage the general public about special hockey to promote societal awareness of the challenges and needs of persons who have developmental disabilities

The **Long Island Blues** is an ice hockey organization for children & young adults with developmental disabilities such as Down Syndrome, Autism, ADD, ADHD, etc.
Our program is open to players both male and female that is ineligible to participate in an existing organization due to his or her disability.

For information about joining The Long Island Blues Special Hockey Team as a player, coach or high school mentor, making a donation or becoming a corporate sponsor, visit

Long Island Blues Special Hockey

"Where Every Player is a Star"

Offering children and young adults with a disability the opportunity to play ice hockey

Long Island Blues Special Hockey *is affiliated with The American Special Hockey Association (ASHA)*

The **Long Island Blues** Special Hockey is dedicated to children and young adults with a developmental disability the opportunity to play ice hockey. The program teaches skating and hockey skills, as well as gives the player the opportunity to play in a team sport. Prior skating or hockey experience is not required.

We use the game of ice hockey to assist individuals with a developmental disability to be more successful both within and outside a hockey environment.

Our season runs from October through March consisting of three monthly practices, visiting team games and tournaments with other Special Hockey Teams.

Including a holiday party and closing out our season with an end of year party!
